RULES OF THE ROAD

AID STATIONS

The aid station will be stocked with water, Gatorade and refreshments. We are not allowed to dispense medicine. Cyclists are urged to bring their own prescription and over-the-counter medications if needed.

SAG WAGON

A SAG Wagon will patrol and monitor the course with water and road assistance to help riders experiencing trouble, in need of minor assistance or are unable to finish the ride. Please be prepared to handle your own flats and minor repairs. Help phone numbers are available in the rider packets. If dire emergency, call 911.

RIDER SAFETY RULES

The Tour de Taco is conducted on city streets and state roads. Though we go to great lengths to make the ride as safe as possible, always remember that safety is in your own hands and ride by these safety rules listed right.

Cyclists are held to the same traffic laws as motorized vehicles, including yielding to traffic with right of way, riding single file, obeying stop lights, stop signs and speed limits, and not riding recklessly or in a manner that endangers others. Furthermore cyclists should ride safely to the right side of the road. Tour de Taco supports all law enforcement agencies on this manner.

As the Tour de Taco takes place on open roadways, it is imperative that participants obey laws for their safety and the safety of others. Additionally, the route is on public roads, please be respectful of others by riding single file and as far right as possible.

Finally be aware that cyclists are subject to the same tickets and fines as vehicle drivers. Law enforcement has the authority and mandate to uphold traffic laws during this event - this includes traffic tickets and removal of riders from the course if necessary.

SAFETY

- **Wear a helmet at all times -- NO EXCEPTIONS**
- **Carry ID and relevant medical information**
- **RULES OF THE ROAD APPLY: same rights and duties as the driver of any other vehicle**
- **Ride single-file where necessary, maximum of two abreast when conditions allow --DO NOT IMPEDE TRAFFIC**
- **Ride as far right as possible – this is very important within the City of Clovis and the City of Portales**
- **Obey all traffic lights, signs, and regulations – including stop signs**
- **Pass on the left only and announce “passing,” or “hello,” or “on your left”**
- **Use hand signals to indicate road hazards, stopping, slowing, right and left turns**
- **Prepare properly – nutrition, hydration, training and prepare for sudden changes in weather conditions**
- **Respect others – riders, volunteers, motorists, pedestrians, law enforcement, the community and the environment**
